It is easy to join and become “The Biggest Winner”

Finalists face off on Speed TV and compete at the World Finals at Virginia Motorsports Park on October 15-17, 2010!

Eight contenders from each class will race for the “Box” and “No Box” Championship.

- Each Summit SuperSeries track will determine a Track Champion by either their points program by the Monday before the team finals or by September 6th, if they are an “at large” track. Track champions from each track will run each other at the Summit Team Finals in their division. The champion of each run-off will advance to the World Finals.
- The tracks who do not participate in the Summit Team Finals due to travel distance will have their track's champions name placed in a lotto with one name being drawn for the “At Large” position. If the person can not attend, we will draw another until a competitor is found to travel to Virginia Motorsports Park by Sept. 10, 2010.
- The race for the World Championship will be run on a ¼ mile format. Crosstalk will NOT be used. The use of trans brakes, two steps and automated shifters in the No Box category is permitted. If bike or sled wins they will run against cars. Throttle stops are not permitted in either class. The use of nitrous is permitted in both classes.
- The competitors will be run on a ladder. The Division 1 winner runs the Division 9 winner, the Division 2 East winner runs the Division 2 West winner, Division 3 winner runs the Division 5 winner and the Division 4 winner runs the “At Large” winner. Competitors will cut cards for lane choice.

Special Qualifying Bonus

You go and Summit pays the tow! Summit Racing will award \$1,000 to the 16 qualifiers to help pay for the trip to the IHRA World Finals. All qualifiers must tech in at the event to receive Summit tow money.
